Bomberman is a series of video games that began as a Game Boy cartridge released in 1988. One of the most famous games in the series is Bomberman. The games in the series often feature intense competitive multiplayer battles, often taking the form of a two-player tag battle, with each player controlling a member of a team with similar attributes. Bomberman also became a noted series in its ports of other genres. The series has been generally credited as the precursor to the multiplayer online battle arena genre.Q: Generate random string of 12 characters alphanumeric So I'm trying to generate a random string of 12 characters that should be alphanumeric and have 10 numbers and two letters but nothing I've tried has worked. I thought maybe something like this would work but it has only generated 10 numbers: `int r = (int) Math.random()*99; String r2 = new String(new char[] { 'A', 'B', 'C', 'D', 'E', 'F', 'G', 'H', 'I',`
