English of five primary writings of the legendary ancient Chinese philosopher Chuang Tzu
(also known as Chuang-tzu) -- a key philosophical figure of the Guodian Chu Dialogue. This
set includes the following texts: "Book of Changes" (also translated and... of Changes Book of
Changes: The Basic Questions of Life and Death and the Way of Emptiness This two-volume
set contains the first-ever translation into English of five primary writings of the legendary
ancient Chinese philosopher Chuang Tzu (also known as Chuang-tzu) -- a key philosophical
figure of the Guodian Chu Dialogue. This set includes the following texts: "Book of Changes"
(also translated and edited by Dr. Albert Low); "Chuang Tzu: Parts One and Two" (also edited
and translated by Anthony C. Yu); "Search for the Way" (also translated by Richard B. Clarke);
"Dream on the Great River" (translated by Stephen Mitchell and Maxine Sutherland); and "The
Way and Its Power" (also translated by Maxine Sutherland and Stephen Mitchell). Because
several of the works were originally published in China, some of them in more than one
volume, the translations and annotations here have been kept as close as possible to the
