DJ Hylian - Creation 4 (DJ Fred Funk Remix) References Category:Discographies of American artists Category:Hip hop discographiesNeuroimaging, neuropsychological, and neuropsychiatric correlates of risk of dementia in Parkinson disease. Among individuals with Parkinson disease (PD), the risk of dementia is increased compared with the general population. Understanding the pathophysiology of cognitive changes in PD may have important implications for the diagnosis and treatment of the disease. PD patients with mild cognitive impairment (PD-MCI) are more likely to be diagnosed with dementia than patients with PD who do not have cognitive impairment, suggesting that the cognitive changes in PD 2d92ce491b
