

History In 2006, Purble Place was built, a simple game of a character on a boat through a maze of tubes in a river and picking up and dropping pellets. This game was inspired by the real place "Kzakulog Matanjsk" in Russia's Far East region. Then the staff continued to develop this game into "Purble Place". In 2008, Purble Place was developed into an online version, and in 2009, the first version of the 'Purble Place Online' was launched in the 'Major Market' in which the version was improved and the hardware used at the time was very expensive (It had the same price as a super computer) and further developed (Renamed to 'Purble Place Online'), to be released in the 'Global Market'. In addition, the 'Purble Place Online' version includes "Good Ideas", and at that time, was the first version developed and released in the 'Global Market'. In 2012, the game was launched in "Asia" (Dubai), and in 2013, the 'Purble Place Online' version including "Good Ideas" was launched in the UK. In 2014, the game was developed and released on the 'Asian Market' (Korea), and in 2015, the 'Purble Place Online' version including "Good Ideas" was launched in the 'Global Market' (Ireland). In the same year, the game was launched in the 'Global Market' (New Zealand). In 2016, the game was developed and launched on the 'Major Market' (USA). In 2018, the game was developed and launched in Spain (People's Republic of China). In the same year, the game was developed and launched in India (People's Republic of China). In 2019, the game was developed and launched in the UK (People's Republic of China). The Purble Place franchise is a collection of three computerized games which have been developed in East and West. The games are not real video games (i.e. they have no evil enemies to battle or anything like that). Instead, they are educational and interact with the player to teach about animals and their habitats. Purble Place Online is all about a 'Purple'-colored character who works in a kind of amusement park. The game centers around a real-life Russian river that runs from one end of the country to the other. The river is busy, noisy, and teeming with busy fish and
