Sep 19, 2019 I tried the following with no luck:. -Clean and Rebuild all Tomb Raider Patch Kits. -Clean, Rebuild, and Reinstall the game. -No patch kit reinstallation. -No closed-down, no missing patches, no errors. -Rebooted my PC. -Used No CD/Fixed EXE files for this game. -Used HL-2-CD as my media. Mar 25, 2019 Okay I put a new copy in my PC and it does not work for me. It will not load the game from my disc or when I try to install it it is the same as described in the following link below. Feb 12, 2020 Command & Conquer: Generals - Does not work with the offline game CD Key. C&C Generals - Does not work with the offline game CD Key. Please open the game and press F1. The game will ask if you would like to install your game from a game disc. Reply your CD key. You can find this by going to your game library, you will see C&C Generals listed and next to it should be a CD. Uninstall the game. Go to your disk drive and look for cnc4offlinepatch. This is a setup file that will download the patch kits for C&C Generals to the local CD. Download C&C Generals. Go to your local drive and look for the folder cnc4offlinepatch. You can make this folder on a flash drive or CD. Extract the files from the folder on the local CD. Go to your local drive and look for the directory cnc4offlinepatch/data/unpack. This is the directory you will use to extract the files for C&C Generals. Put your CD in your drive, and go to your game library and C&C Generals should now be listed. Reply the CD key so that the game can be installed. TL;DR Try to:. -Boot your PC with CD/DVD in your drive. -Make sure CD/DVD key
