You will get error messages. There are several other problems as well, but they will only occur if you use a newer VCDS, so don't worry about them, because this mod won't work with them." I will not do it until all questions are clarified. (02-02-2016, 12:41 AM)weltkomt Wrote: I want do the VCDS Lite 1.2. CUTTING. As the partial government shutdown stretches into a record-breaking month, the Environmental Protection Agency (EPA) is making the most of the time it has. The agency's acting administrator, Andrew Wheeler, highlighted the work of the EPA's enforcement teams in his Jan. 16 statement on the shutdown. In a video posted on YouTube, Wheeler spoke about how the agency plans to make the most of the time it has as well as the importance of protecting workers from exposure to hazardous chemicals. "Thank you for your dedication and service during this period of shutdown," Wheeler said in the video. "My staff here is in the blacked-out rooms alongside with our enforcement employees doing what they do best—protecting the health and the safety of the American people." However, the EPA faces a "difficult path" in enforcing the law. The agency has 2,300 employees furloughed, leaving only around 400 enforcement agents to do their work, according to Wheeler. Eligible employees may still be able to carry out their duties during the shutdown, but have to do so without receiving normal pay. Every day the shutdown lasts, they're not being paid. EPA employees on the front lines of environmental protection at the national, regional, and local levels could face the most risk. "These courageous men and women perform essential safety inspections, take on the 3da54e8ca3
