Users' review Users from Austria, Brazil, Germany, Spain, Australia, Poland, United States have voted. 80% of voters recommend to download River Past Video Cleaner Pro. River Past Video Cleaner Pro is a simple but effective application. Resourcefulness is everything. This software is a practical and very useful tool. I was looking for a video editor for a long time, and then I found this very useful software. I was not even aware of the existence of so many video converters. After I tested a lot of them, I decided to make a survey and to select this software. This video editing program is ideal for the beginner; I was able to change the resolution of the video in a simple way. It is also easy to cut and paste audio and video, and that is why I recommend it to all. Easy to use. The only thing I'm not happy with is the response time of some answers. However, I don't think that it's
