I have got all the various fields I need except for Subscriber Key (ACOS). I have tried the following to no avail: $profile = getProfile($userId); foreach ($profile->getFields() as $field) { if (strtolower($field->getFieldName()) =='subscriberkey') { echo $field->getValue(); break; } } Am I missing something very obvious? A: Assuming $userId is a user id for the record of interest, here's some code that retrieves the Subscriber Key from the API: if ($field = $profile->getField('subscriberkey')) { echo $field->getValue(); } By Shannon DeCosta 'Casa Mañana' Mural Wall – Sheville There were so many amazing murals that I included every year I've been sharing photos of my trips to the International Mural Festival for the past eight years. I've had the pleasure of traveling to Nicaragua (sadly, I won't be going this year), Ecuador, and more. Now my traveling adventures include coming home to my new favorite artist: Shannon DeCosta. Best, Kalim The number of German tourists visiting the UK rose last year by more than a third to reach a record high, official figures show. The Department for Digital, Culture, Media and Sport (DCMS) said 7.6 million Germans visited the UK in 2017, up from 6.5 million in 2016, equating to growth of 30% compared to the previous year. This makes Germany the second biggest source of visitors after the US and is the first time that Germany has overtaken France, which has been the biggest source of foreign visitors since 2009. The data was published by the UK and European Commission, which jointly maintain a database of international arrivals in Britain. The latest figures show that Germany's UK tourism has increased by almost 50% since 2012, outperforming all other EU countries. The UK's summer is Europe's busiest travel period when many holidaymakers take their European breaks. In 2017, 14.1 million visits were made by UK nationals abroad in the summer, including 4.4 million visits to the Mediterranean island of Ibiza and 1.3 million to the island of Majorca in the Spanish Balearics. Hotellobby: What can I get for £1? The Metropolitan Police, which is responsible for policing England's tourist hotspots including London's Heathrow airport and Gatwick, said it expects a record number of visitors - 5.5 million - this year as England hosts the Rugby World Cup and at least one other major event, including the grand opening of the Olympic Park.
