Weeny Free PDF Extractor Crack+ For Windows [Latest]

Weeny Free PDF Extractor Crack Keygen is an easy-to-use program that enables users to extract text and images from PDF documents, and save them to separate files on the disk. It does not integrate complicated features or configuration settings, so it can be handled by all types of users, even the ones with little or no experience in PDF processing software. Ad-supported application Installing the app takes little time. However, users should be careful when going through the wizard steps, as Weeny Free PDF Extractor offers to download and install third-party tools that it doesn't actually need to work properly. These components can be excluded from the setup, though. Intuitive GUI with batch mode support In the interface department, the tool keeps it clean and simple. The main app window has a classic and intuitive structure, allowing users to import PDF documents with the help of the file browser only, since the drag-and-drop method is not supported. Batch processing is possible, which means you can extract text and images from multiple PDFs at the same time. If the PDFs are password-protected, users may input the corresponding keys before starting the extraction procedure with the click of a button. It is possible to point out the saving directory and set an automatic post task action between opening the target folder or showing a message. Evaluation and conclusion The tool does not put a strain on PC performance, as it runs on low CPU and RAM. We have not come across any issues throughout our tests, as it did not hang, crash or pop up error dialogs. The app extracts data rapidly. Although it does not contain rich features, Weeny Free PDF Extractor delivers a simple solution to extracting text and images from PDF files, and can be easily used by anyone. Overall, the basic offer of Weeny PDF Extractor is quite attractive. But its drawbacks make it not worthy for a professional alternative. When it comes to performance, Weeny PDF Extractor lags behind other similar solutions in the price class. At a first glance, the tool claims to be able to save data from several PDF documents at once. However, when the app is run for a longer period of time, it becomes clear that Weeny PDF Extractor can only save one PDF at a time. PROS Ease of use Weeny PDF Extractor is an easy-to-use program that enables users to extract text and images from PDF documents, and save them to separate files on the disk.
