#### What's New In?

List your favourite websites, ranging from Google News to your music library, your blogs, your programming links, your news from BBC News to your favourite news from reddit. You control the display of your blog, newsfeeds, streaming links and lists. No more need for feed readers or links on a page to see when a site changes, just head over to the Pugnax "News" dashboard and see everything that's going on. Pugnax Features: \* Display your RSS feeds, news and blogs in a special scrolling list. \* Add your own links too. \* Type your links from your keyboard. \* Display pages with RSS links on your dashboard. \* Pin your most important categories to your dashboard. \* Keep your newsfeeds and your blog always visible to you. \* See when a page changes in your dashboard. \* Compare favourite sites with this simple little search function. \* Change categories of links to suit you. \* RSS feeds from your favourite sources will also come to you. \* See news posted on a page in a section by section. \* Easily find new news, new articles, new podcasts, forums, blogs and so on. \* Sort news by most read, oldest, and whatever you like. \* Remove or add your favourite sources in a click. With the WordPress "Press" plugin, you can install the press new section (see below) to your site. This section contains all the feeds your favorite websites supply and more. A nice, clean look. \*You can change your feeds in the settings. \*You can see all the new posts and updates of news sites in one place (so no more need to navigate to a news site to see new posts). \*You can even view the news posts by genre. Inspiration This is like MSN News... for websites and blogs instead of news. Most of the required news feeds will be supplied by Google's new RSS library. If you want to add feeds from your favorite sources, check out the official source code at this Wiki. If you want to help out with the "Press" plugin, check out the official support forum for that at this forum. Howto How to start using the Press plugin? Easy! Adding feeds Go to your Dashboard and click on "Add New" in the top bar. Click "Add a Feed". This will let you add as many RSS feeds to your Press Dashboard as you want.
