The playmaker has won the award for the second consecutive time and leads Syria's opening game against Palestine on Saturday. Abu Diab fired a stunning free-kick past the Palestine goalkeeper to open the scoring at the Al-Ittihad Stadium in Tishreen and then completed another fine display in a 3-0 win to seal her second consecutive champions'

Fifa 22 Features Key:

- Live and breathe FIFA Ultimate Team, with the legendary spectacle of your own intuitive MyClub created by Madden 17, with unique cards and packs, and the perfect presentation of player and teams in beautiful images.
- Live out your dreams as both a manager and a player in FIFA 22, either locally or online. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.
- Train alongside your favorite legends and make decisions in the transfer market based on your real-life experience.
- Counter-attack against your opponent in dynamic new 3 v 3 modes. Travel to pre-defined squares on the pitch to launch attacks, defend your goal, and deliver stunning free kicks that hurt opponents and prompt them to make key mistakes that benefit your team.
- Introducing "HyperMotion Technology" for the first time, Motion Simulation Technology combines the classic speed, power and skill of real football with action sequences that are impossible to replicate on foot.
- In FIFA 2K19 there are some other great features from FIFA 2K18:
Multiple Languages for the first time in the FIFA series with Spanish, German, Portuguese, French and Italian option.
Dynamic Player Movement - Mirroring real world movement in video games. Use your on-the-ball body to move like a real player.

As a soccer fan, you'll of course know that Ultimate Team is at the heart of the FIFA franchise and that at its core this game includes the 'MOTD' game. This feature is back once again for FIFA 22 allowing you to play solo, with your friends and enjoy the changes to the game. The 'MOTD' game is also back for FIFA 22. This is a full on player and game created 'a la carte' experience using licensed players, premier leagues and classic tournament victories. This is also available in the 'online matchmaking'. MODE 5 The all-new 'Style the Game' mode allows you to create and play in a true-to-life experience, with more ways than ever to personalize your game and bring your club to life. Experience the U.S. Open Cup. Play in a live qualifier match and a 2v2 exhibition. Or create a full squad to take on friendlies against teams from all around the world. STREET PARKS FIFA Street 2 is making its way back to the world of soccer as part of FIFA 22. Yes you can play FIFA Street 2 using FIFA Football 19. All the new additions are also here to play the best soccer matches on the market. FIFA STREET 2 offers: A Street Bar! Bar out of your favorite real-life bar and get the blaring beats and buzzing atmosphere of the soccer stadium. A Street Café! Quick a trip to a favorite sports bar, to either watch the match from a table or take a seat on the top deck. You'll even be served drinks by a barista. Street Balls! High five, throw, kick and juggle your way through the streets of every city in the world. CALL OF DUTY - WW2 ASSAULT Call of Duty: WWII is one of the top games for a reason. The combat is intense and the mechanics are mastered. That being said, the World War II mode has its own challenges. Not only are there the obvious ones, like multiplayer, which is all new, but there are also a host of gameplay changes. The biggest changes you'll notice are on the defensive side of the game. There's been a number of tweaks to you flanking options, timing-based and temporal defense. The second biggest change is how the weapons

What's new:

- **HyperMotion Technology** - Powered by player movements captured during 22 real-life high intensity games and a standard suite of in-game tools, use the atmosphere and breathing opportunities of movement to create some of the most realistic gameplay in football gaming history.
- **Player Demos** - Unravel the qualities of over 400 player attributes, from speed and agility, to endurance, power and skill. **FIFA Insider** delivers analysis from expert football journalists, including acclaimed former football players, to understand which attributes are most important for each position and help you identify which player to unlock.
- **Player Careers**- Climb the heights of your Pro's career as both a manager and a player. Create the newest club in **FIFA** or rise up from the lower divisions as you manage your club to glory, and test your skills as a player by challenging the best players in the world.
- **Hardened AI** - 80 new behaviours and reactions, trigger-based animations and positioning, higher sensitivity to stops and passes, and more movement in deeper areas. Hear footsteps at close-range, see players stretching as they anticipate a challenge, and avoid collisions with unexpected and varied reactions to your tackles.
- **Shiny new stadiums and kits**
- **Master your shooting and set-piece kung-fu** **FIFA 22** introduces 5 shooting maps, each with its own origins - the Art Deco Architecture of Barcelona, the Real Madrid tradition of producing defensive-minded long-ball football, the professional Superbowl stadiums of the USA, the Great British pub environment of Stoke Central, and the Don Valley Stadiums where only the bravest dare attempt bombing runs on the opposition. Live in a stadium with grass, a running track or even a cycle track. You decide.
- **New Goalkeeper Experience** - snap into your challenges faster and react instantly on save. Refine your decision making with dynamic save feedback. React instinctively as an attacker moves off to switch play, but slow down as you

channel your skills into an impressive save in the shootout with your keeper.

- **Improved Handling**
- **New HUD and UI**
- **Dynamic pitch transitions plus more ball running on artificial turf to maintain your realism.**
- **Extensive commentary from print and broadcast media**
