02, 2016 By Rachel There's a catch. The Girl You Left Behind is a sequel to 2016's The Girl Next Door, but it will only make sense if you read The Girl Next Door first. A New York Times Bestseller from the bestselling author of Me Before You and After You, The Girl You Left Behind is about two young women who have been separated by tragedy, as well as one tragic event that brought them together. Rebecca Jane Clayton is lucky to have her grandparents to look after her after her parents died when she was just five years old. She lives a quiet, well-ordered life in a beautiful house in the Yorkshire countryside. She goes to university and later to London to study. She has a great job as a TV presenter, and she lives in a great flat in the center

---

of town. But life for Rebecca can still be a little frightening after the death of her mother, Helen, in a car accident three years ago, so Rebecca doesn't do much dating. Then she meets Lucas, an odd little boy who is left in the care of her grandparents and Rebecca's life changes. Laura Jackson is a dental hygienist in a London practice. She is over-qualified, under-paid, and no one seems to care. Her life isn't just hard, it's empty. All she wants is to find a loving relationship, but nobody will have her. Until Lucas moves in with her grandparents. Suddenly, Laura's life changes. She feels she can have everything she's ever wanted: a home, a job, and a boyfriend. But when her grandparents are killed in a tragic road accident, her whole world is turned

---

upside down. Now she must do everything she can to protect Lucas and make sure he survives. Laura and Rebecca are two very different women, yet they have much in common. Despite their differences, the two women are unable to stay apart. Their lives will be changed forever by a single event that will bring them together and change their lives forever. It
