The Guardian had come to Istanbul for the fifth time to cover the Turkish uprising in Gezi Park. The first reports of the protests, in which demonstrators set up camps and road blocks, came from two diaspora social media users based in California (video [here](#) and [here](#)). Within a few days, the protests turned into a nationwide movement, with thousands on the streets of central Istanbul that demanded freedom and democracy. And even though the protests were put down relatively soon, the process of creating a digital archive is a unique one, that documents both the protests and the ruling party that has been widely blamed for the crackdown. A notable feature

Самата інфа не буде зроблена кожну день. If you're interested in keeping up with the latest trends from New York Fashion Week, then you are in the right place. This January I have traveled to New York for the first time to attend the Fall 2018 shows. I am

giving myself a lesson on how to navigate the crowds and beauty editor at the New York Daily News. Since both locations are close to Times Square, an easy Uber pick-up and drop off is available. As mentioned in the past, that I attend both shows with the same group of friends, so our adventures from the shows are unique and full of incredible memories. Everyone loves to attend shows during the week and end the week with a bang. The shows are always filled with celebrities and well known designers so coming with a camera is a must. New York Fashion Week isn't just full of celebrities and models, many trend setters also attend to see what is in this Fall's collections. This past week I decided to share my top 5 fashion moments from New York Fashion Week. I hope that you will enjoy them just as much as I did. New York Fashion Week this weekend will open with two shows on the South Beach stage. First up will be "Yasmin Le Bon" and her eponymous label. Yasmin's designs consist of figure hugging dresses and blouses.

Below are some New York Times Fashion Week photos with Yasmin in her collections to inspire you. Photo via Twitter Photo via Twitter Photo via Twitter Photo via Twitter

While she is adding her style to the runways, she has recently been spotted in the music world with songs hitting the iTunes charts including her latest hit "Fool". A few months ago I had the chance to speak with her and got to know a little more about her. At the end of the interview, we decided to give her a chance to show her fashion side and asked her about her style. Yasmin also

explained that she just loves fashion and that she loves to show it off whenever she can. Photo via Yasmin Le Bon Photo via Yasmin Le Bon Another show will begin on the Country Marquee stage with Raquel Zimmermann. Zimmermann's label, Raquel Zimmermann, is an Italian brand that is very well known
